

Act. memo

19 July 1963

MEMORANDUM FOR: Assistant Director for Special Activities
SUBJECT: Action Items from the DCI's Morning Meeting
on 19 July 1963

1. Regarding the present Harriman mission to Moscow, it was decided to stand down [] into China for one week, ostensibly for weather purposes. We are due to receive a release from the DCI prior to resumption of flights.

25X1C

2. I would like a copy of the recent Perkin-Elmer camera results for the DCI. Pick out the best shots and in a suitable format for giving to the DCI.

3. The DCI asked Mr. Helms to arrange for photographic coverage of []

25X6

[] It was agreed that action would be transferred to the DD/R and subsequently to OSA. It is requested that you obtain the necessary information and present a tentative concept of operations with a time table for implementation.

25X6

4. As was discussed in our afternoon meeting, we are to meet with Dr. Wheelon on Monday to discuss this study - MURAL [] LANYARD.

25X1A

5. Also discussed was the desirability of more staff support in OSA. It is hoped this can be implemented as soon as possible.
